UPDATING THE DASHBOARD

Click on Refresh to the current date

The screenshot shows the READ NB Tutoring Dashboard. At the top, there is a search bar and navigation links for Home, Contacts, Assignments, Reports, and Tutor Applications. The dashboard title is "Tutoring Dashboard" with a warning icon and the text "Last refreshed 170 days ago. Refresh this dashboard to see the latest data." Below the title, there are two buttons: "Open" and "Refresh". A red arrow points to the "Refresh" button. The dashboard contains several charts: "Sessions this Quarter" (a stacked bar chart showing hours by council), "Sessions by Week" (a bar chart showing record counts by week), and "Assessments" (a bar chart showing record counts by assessment date). On the right side, there are three panels: "Assistant" (Nothing needs your attention right now. Check back later.), "Today's Events" (Looks like you're free and clear the rest of the day.), and "Today's Tasks" (Nothing due today. Be a go-getter, and check back soon.).
