

HANDOUT: LESSON PLAN

What does the learner want to know?

Lesson Topic:

Lesson Objectives:

- 1.
- 2.
- 3.

HOW WILL I TEACH?

For each lesson segment include the content, the teaching activities you will use, and any materials you will need.

Before reading (*what the learner needs to improve comprehension*)

During reading (*what the learner will do to improve comprehension*)

After reading (*how will we check comprehension and practice other reading and writing skills*)

HOW WILL WE MEASURE?

Review each segment of your lesson plan and identify how you and the learner will know they understood what they read and can use the reading skills they've learned.
